

911 Emerging Technology Forum

September 21-22, 2020

SAVE THE NEW DATE

The State 911 Committee, Emerging Technology Subcommittee invites you to attend this two-day event to learn about, and get updates on, emerging technology topics for Michigan's Public Safety Answering Points. With changing technology affecting everyone in public safety communications, the Emerging Technology Subcommittee has organized two days of speakers presenting information that will prove timely and useful to the first responder community.
